INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Rock the Vote

We have audited the accompanying financial statements of Rock the Vote (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

NOTE A - ORGANIZATION

Rock the Vote (The Organization), a non-profit corporation, was organized in Washington, DC on December 27, 2005. The Organization was formerly known as the Music for America Education Fund. The corporate offices are located in Washington, DC. The first activity began on or about April 1, 2007. Rock the Vote engages youth in the political process by incorporating the entertainment community, popular culture and new technologies with the goal of encouraging youth and others to vote and take action on issues that affect their lives. Additionally, Rock the Vote conducts voter registration, civic education and GOTV efforts focusing on 18 to 29 year olds who are the most under-represented in our democracy and empowers young people to be active citizens through political participation.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the Organization's significant accounting policies consistently applied in the preparation of the accompanying financial statements.

1. Basis of accounting

The Organization presents its financial statements on the accrual basis of accounting. Under this method, revenues are recognized when they are due or pledged rather than when they are received. Expenses are recognized when they are incurred rather than when they are paid.

2. Audit Procedures

This audit was performed in accordance with guidelines included in "Not-for-Profit Entities Audit and Accounting Guide" issued by the American Institute of Certified Public Accountants.

3. Property and equipment

Property and equipment is recorded at cost and depreciated, using the straight-line method, over the estimated useful life of the asset. Presently all property and equipment is depreciated over 3 years. It is the policy of the Organization to capitalize and depreciate property with a cost of greater than \$1,000 and a useful life of more than a year.

4. Non-cash contributions

Non-cash contributions, including donated goods and services, are recorded at fair market value on the date of the donation to the extent they are susceptible to valuation. There were non-cash contributions of data and professional services totaling \$183,036 during the year for the benefit of the Registration Technology Program, Voting Rights Program, Culture of Voting Program and Administration. These income and expense items are included in the financial statements.

Rock the Vote December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

5. Promises to give

Contributions and grants are recognized when the donor makes an unconditional promise to give to the Organization. All donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. If a contribution is given that carries a restriction, but the restriction lapses in the same year, those contributions are presented as without donor restriction. Contributions and grants receivable are due in 2021. See Note F.

6 Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

7. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. For example, depreciation, amortization and the functional allocation of certain expenses are estimates. Accordingly, actual results could differ from these estimates.

8. Income taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and they are also exempt from state income taxes. The Internal Revenue Service has determined that they are a publicly supported organization.

Rock the Vote December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

8. Income taxes (continued)

Effective January 1, 2009 the Organization adopted the authoritative guidance related to accounting for uncertainty in income taxes. The Organization performed an evaluation of uncertain tax positions for the year ended December 31, 2020, and determined that there were no matters that would require recognition in the financial statements or which may have any effect on its tax-exempt status. The tax returns for the years 2018 through 2020 are open to examination by federal and state authorities.

9. Cash

For financial statement purposes, the Organization considers cash and cash equivalents to include cash in banks.

10. Allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that benefit multiple programs are accumulated monthly and allocated among the various programs based on the relative salaries allocated to each program.

NOTE C - PROPERTY AND EQUIPMENT

Depreciation of computer equipment is calculated on a straight line basis over 3 years. Depreciation expense for 2020 is \$5,819, cost is \$29,754 and accumulated depreciation is \$18,860 as of December 31, 2020.

NOTE D – INTANGIBLE PROPERTY
